WEEK ONE - JUNE 9, 10, & 11

TUESDAY

Mixed Media, Picasso Style

Paint cats like Picasso in either primary or intermediate colors. Draw the cat's face, frontal and profile, with eyes of different sizes or shapes and ears. Try drawing with eyes closed, using lines to produce a rooster in glue and pastels, then blend the colors to achieve depth. Students will learn fun techniques to recreate Picasso's signature style.

Polymer Clay Miniature Food

Climb into a miniature kitchen and create a feast of fancy dishes. A picnic of hot dogs and watermelon? Spaghetti & meatballs? Or perhaps pancakes with syrup and bacon. You'll never want this class to end.

Polymer Clay Fairy House

Make an adorable tiny fairy house complete with accessories. Learn the magic of polymer clay as you roll, pinch and slice.

WEDNESDAY

Sunny Sunflowers and Poppin' Poppies

Enjoy some outside time while creating these flowers, using tools like Q-tips to texture the center of the sunflower. Watercolor, oil, pastels, and your imagination will make these flowers shine. We will experiment in this fun, colorful class.

Open Studio with Miss Sue

This open studio class offers you the freedom to work on ANY project you want! Come to class with a project in mind and Miss Sue will help you develop and finish your artwork at your own pace. This is a chance to experiment with new mediums, practice new skills, and develop your personal artistic style!

WEDNESDAY

Art Passports: Art of the Americas

Learn about native art traditions from North, South and Central America. We will use paper, textiles, and paint to create colorful cultural arts. Look for more world culture art lessons with Lisa this summer and earn a specially-designed sticker and passport!

Beginning Painting With Picasso

Learn the styles of two famous artists inspired by the book, "When Picasso Met Matisse." Bold lines, intense colors, and crazy shapes will make you laugh as you create cubist faces like Picasso. You will also paint a funky bowl of fruit in the style of Matisse. Ages 6 and up welcome!

Upcycled Knotted Rug

Craft a neat accessory for your room! This rug is made from scrap fabric that you will transform into a work of art. You will also play games and get to know each other as you create.

Loveable Llamas

Use a variety of art materials to make art inspired by this popular and funny South American pack animal. We will draw, color, and craft the day away as we make cute and colorful llama art.

THURSDAY

Become a World Labyrinth Explorer!

(Two Class Series)

Embark on a treasure hunt across the WBCA labyrinth and grounds! Follow clues, uncover labyrinth "art-i-facts," and make discoveries. Later, explore a variety of finger labyrinths and learn about their history, design, and uses. Discover why a labyrinth is not the same as a maze and create your own labyrinth in class!

Collaborative Dinosaur Diorama

Work together to create a lost, magical, Jurassic world! Each student will have a job to create different parts of this landscape and learn interesting facts along the way. We will use mixed media to create an otherworldly world!

Paint a Pet

Paint an abstract portrait of a pet or animal from a photo. Use color to express the personality of your furry friend! This class will help you to explore creative uses of acrylic paint. No experience necessary. Please bring an 8x10 reference photo of your animal.

WEEK EIGHT - JULY 28, 29 & 30

TUESDAY

Celebrate Cityscapes!

Learn to make cityscapes using a variety of different drawing and painting materials. From simple silhouettes to 2-point perspective, we will learn the basics of laying out a striking cityscape.

Paper Quilling

Learn techniques for rolling narrow strips of paper into 3D shapes that can be used to create larger designs. Create unique cards, gift tags, pictures, or box tops.

Pottery on the Wheel

Enjoy throwing on the pottery wheel and creating bowl forms. We will learn basic wheel techniques, and add interesting textures and surface designs to our pieces. Fired projects will be ready to pick up approximately two weeks after class. Students must be able to attend ALL classes in order to register.

Poured Painting

Use gravity to move paint around on a canvas. The process is mesmerizing, and the results are unlike anything you can create with a brush. Dress for mess.

Amazing Artists: Andy Warhol

Play around with different kinds of printmaking while making art inspired by American Pop artist, Andy Warhol. Flowers, soup cans and portraits will all make great subjects for our colorful art creations!

WEEK EIGHT (CONTINUED)

WEDNESDAY

Art Passports: Asian Art

Learn about several different Asian-inspired art forms in this fun class. We'll paint, draw, cut and glue as we explore people, places, and things from China and Japan. Look for more world culture art lessons with Lisa this summer and earn a specially-designed sticker and passport!

Dot Mandala Painting

Immerse yourself in the patterns and colors of these geometric designs that are as fun to make as they are to behold. Use acrylic paint to create dots of varying sizes on smooth stones, canvas, or found objects. Dress for mess.

Introduction to Bookmaking

In this class, you will learn the basics of bookmaking so you can create notebooks, journals, or bind existing drawings into a book. Learn how to make an accordion book, a pamphlet stitch, and others.

Botanical Art

Using fresh leaves and other botanicals, we will make art that celebrates the beauty of nature. We will use techniques like rubbing, embossing, and printmaking, along with materials such as paint, crayon and aluminum foil to make awesome nature art.

Pottery on the Wheel

Enjoy throwing on the pottery wheel and creating bowl forms. We will learn basic wheel techniques, and then add interesting textures and surface designs to our pieces. Fired projects will be ready to pick up approximately two weeks after class. Students must be able to attend ALL classes in order to register.

THURSDAY

Elastic Beaded Bracelets

Would you like a new bracelet to match a favorite outfit? We will use elastic cord to create bracelets with a wide variety of beads in many colors and shapes.

CD Weaving

Upcycle old CDs and make a colorful decoration to hang in your room. You will use different textures of fabrics and textiles to add pizzazz.

Alcohol Ink Flowers

Use these wild, vibrant inks to paint flowers on ceramic, paper, and Yupo paper. Explore the marbled, tie-dye effects of this popular medium. Wear clothes you can get messy.

Introduction to Watercolor

Learn to paint in watercolor. Start from the basics. You will be introduced to the materials used in watercolor paintings, and explore how water, pigment, and paper interact. You will explore brush techniques, mixing and manipulating color, texture, value, and composition.

Wood Fired Pizza Making Demonstration

Join James Beard Award- nominated chef Rikki Giambruno for a night of Neapolitan pizza making with WBCA's Peter & Mary Gove Outdoor Wood Fired Oven! Learn about traditional methods while Chef Rikki demonstrates secrets to making delicious pizzas. There will be a variety of local and seasonal delicacies to top your pie and at the end of class enjoy a delicious meal. If you love cooking or eating pizza, this class is for you! **Allergy notice:** Food prepared will contain wheat, nuts and dairy.

A native of Victoria, Minnesota, Rikki Giambruno began his cooking career in 2010. He is a 2012 graduate of The International Culinary Center in New York City, where he lived and worked until 2017. Upon moving back to Minnesota, Rikki opened Hyacinth on Grand Avenue in Saint Paul. He was nominated for The James Beard Foundation for Rising Star Chef in 2019 and 2020.

TEEN CLASSES (CONTINUED)

Jewelry Basics

The focus of this class is repairing and refashioning jewelry that needs an update or is out of style. In this class you will make earrings, a bracelet, and a beaded necklace. You will learn how to use tools including jump rings, stringing materials, wire guardians, crimp beads and a variety of clasps. Bring any jewelry you would like to repair or repurpose and any beads that you have. Other materials included.

Watercolor Wonders Workshop

Learn skills to express yourself with watercolor paint! You will learn about materials, mixing paint, creating unique colors, and exploring different brush techniques. Expand your creative talents in this two-day class.

Zentangle Inspired Art

Tangling and doodling is a meditative drawing method that uses simple and repetitive strokes to build patterns that are combined to make a small work of art. Anyone who can draw a straight line and a curve can learn to tangle. The process is very easy, relaxing and fun. You may be surprised and delighted by the designs you create.

Teen Pottery

Explore wheel-throwing skills with this course for teens. Focus on learning to make different shapes using the wheel, or use hand-building skills like pinching, coiling, and slab building. Use your shapes to create utilitarian pottery or sculptural forms. Bring your ideas for specific forms you'd like to learn to make. Class will offer demonstrations and individualized instruction. No prior clay experience necessary. Materials are included. Students must attend full session to register.

How to Register

Class capacity is limited and classes are filled on a first-come, first-serve basis. You must register in advance through the office, mail or online. We do not assume that students will return to a class they are currently taking or took in the past. Early registration helps us reduce class cancellations. Instructors do not take registrations.

Registrations require payment at least three business days prior to the first class start date. Reminders are sent to students via email. Late registrations will be taken if space permits. If a class is canceled, a full refund will be issued.

- Mail the completed form below with your check or VISA/MasterCard/Discover/American Express information to WBCA.
- Register over the phone by calling 651.407.0597.
- Online registration is available on our website until 3 days before the class start date.
 - Discounts cannot be taken online, please call 651.407.0597 if you are using a discount or class credit.
 - Please call the office at 651.407.0597 if your online registration is deferred.

MEMBERSHIP: WBCA membership is open to anyone and everyone. Discounts on classes will go into effect immediately upon receiving membership payment.

FINANCIAL ASSISTANCE/SCHOLARSHIPS: Call 651.407.0597 for details.

TAX ADVANTAGE: All or a portion of class fees for children and youth age five and up may qualify for a MN state tax deduction. Contact your tax accountant for details.

Registration is not considered complete until payment is received.
