

MATA ORTIZ POTTERY SALE

This pottery collection comes from Jose Mario Jimenez from the potters that live near Mata Ortiz, Mexico. This is a revival of an ancient technique using the same colored clays and pigments for glazes from the surrounding areas. All of the patterning was created by hand using brushes made from children's hair. The purchased pottery benefits the people of Mata Ortiz as we continue our partnership with them.

HOW TO PURCHASE

Keep the ID number of each piece of pottery you would like to buy. Email wbc@whitebeararts.org to verify that it's still available along with your phone number and we will call you for payment.
