

# High School Creative Writing Camp Itinerary

## with Karen Parkman

### Day one: How to Start

- Topics: How do we start a piece of writing? We'll explore writing beginnings, getting an idea, getting in the mood to write, and writing the first sentence.

### Day two: Keep Up the Momentum!

- Once we have an idea, how do we keep going? We'll explore how to make things happen in our writing, including adding an inciting incident to our drafts, as well as how to add mystery. We'll also discuss the shapes of stories, poems, and essays to help you find new, unique ways to structure your own work.

### Day three: Endings

- How do you end a piece of writing? We'll discuss how to find the ending to your work by looking back to the beginning.
